

STEPS OF A ROUTINE DENTAL VISIT

X-RAYS

FIRST THINGS FIRST. Unless you have recent X-rays or an extenuating circumstance (such as being pregnant), we'll take images so we can spot any trouble areas.

TEETH CLEANING

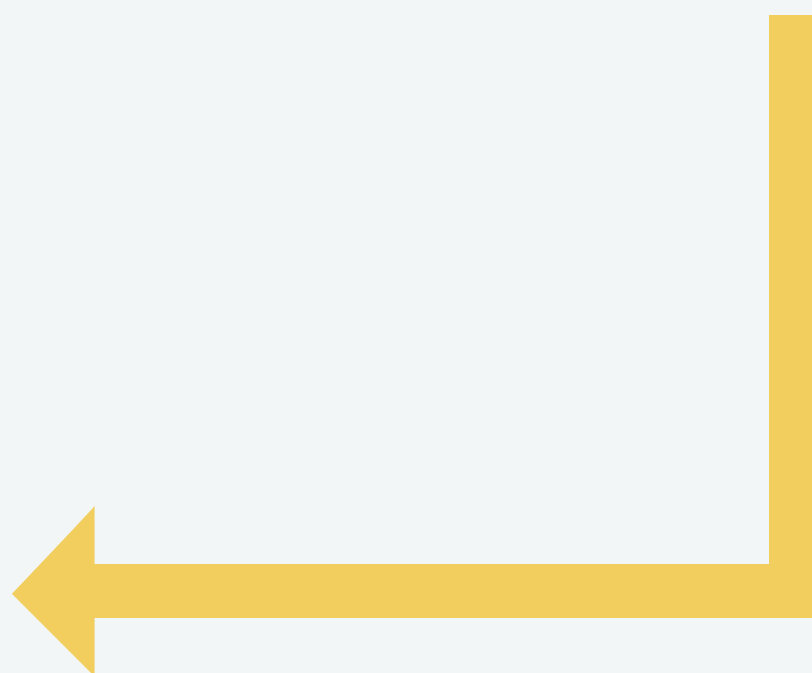

TIME TO GET THOSE TEETH SQUEAKY CLEAN! We'll remove plaque and tartar and then polish and floss your teeth.

EXAM

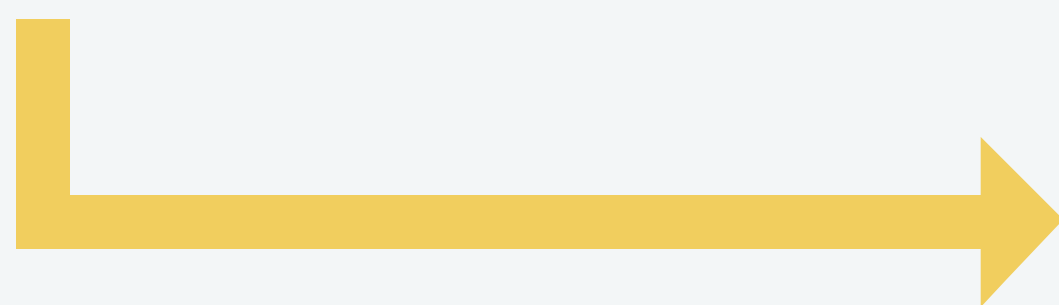

DON'T WORRY; IT'S NOT A TEST!

The dentist will check your teeth, gums, and mouth to assess your overall oral health.

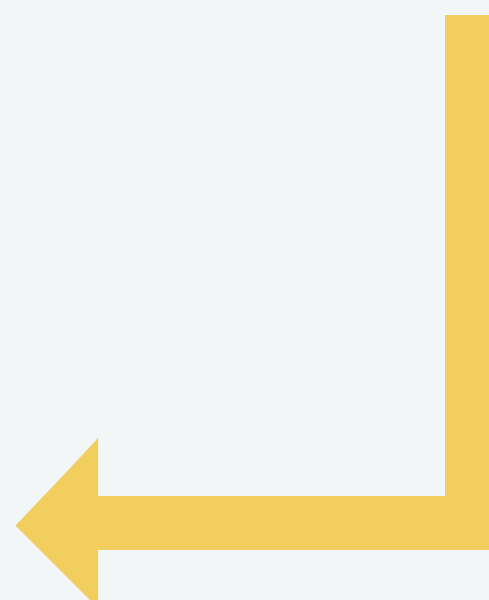

CONSULTATION

QUESTIONS? CONCERNS? We'll give you recommendations for what steps to take next.

CHECKOUT & SCHEDULING

TIME TO SAY GOODBYE ALREADY? Take care of any financial arrangements and set up your next appointment.

SEE YOU NEXT TIME!
