

123 Main St			
	<i>1-Mile</i>	<i>3-Mile</i>	<i>5-Mile</i>
General Dentists*	2	6	12
Average Household Size	2.51	2.53	2.54
Total Population	13,937	28,807	61,149
Dentist-to-Total Population Ratio (1 :)	6,969	4,801	5,096
Target Households (Households with an Estimated Income of \$50K+)	1,113	3,587	8,216
Dentist-to-Target Population Ratio (1 :)	1,397	1,513	1,739

* The number of dentists shown is pulled from software that reports registered dental licenses, not practices. Therefore, despite its frequent updates, the software cannot produce 100 percent accurate counts of active practices in a given area. Dentists registering their licenses to their homes located outside the researched area will deflate the number while multiple associate dentists in a single practice inside the area will inflate the number.
